TAKUMI NEXT 2021

JETRO (Japan External Trade Organization) and METI (Ministry of Economy, Trade and Industry) launched the project “Takumi Next” to support Japanese craftsmen to expand their markets abroad.

This project involves Japanese producers who excel at the art of creation utilizing the local resources such as crafts, traditional products, and household goods that will lead the next generation of Japan.

Their products present the highest mastery quality with strong background in traditional techniques and rich cultural context behind the works.

Through the lens of these craftsmen, you can glimpse the inner workings of a nation, Japanese history and the industries that drive its economy and its vision for the future.

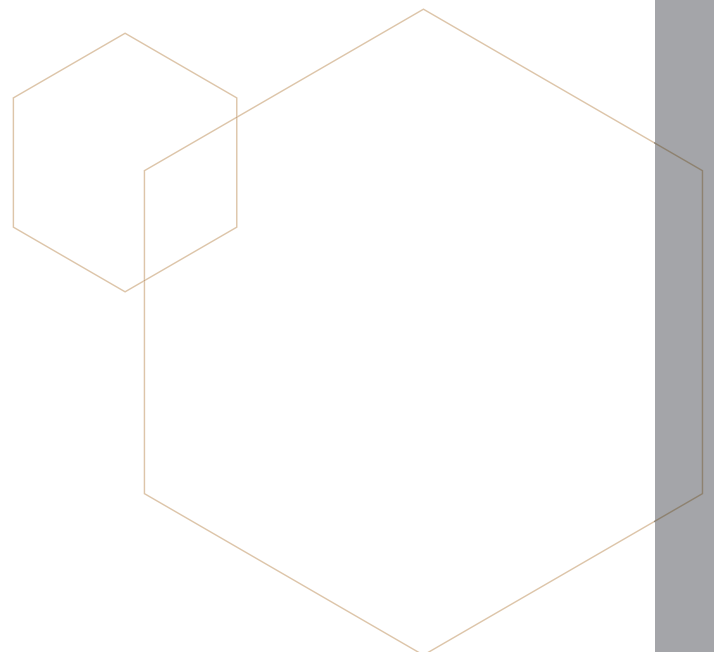

How to Make Inquiries

1. Look through the catalogue and find products that interest you.
2. Scan the QR code* and access our shopify store.
*iPhone users: Use “Camera” / Android users: Use “Google Lens”
- 3-1. If you already know the password, enter the store using it.
- 3-2. If you do not know the password, send an email to DNA-project@jetro.go.jp
4. Once you have logged in, you can go to the product page directly from QR code for a certain period of time.
5. Check the product details, MOQ, sizes etc.
6. If you want to make an inquiry about the product, click “Add to the Basket”.
7. Continue browsing, and after you put all the products that intrigued you, view the basket and enter the information required (Company Name, Email address etc.)
8. Click “Submit request”
9. JETRO will contact you to arrange a meeting.
