SkyPlus

Novel "Availability Awareness" Mobile Technology.

Enhances safety while driving.
Supports your "right to disconnect".

What does A think

A wants B to answer the phone.
Of course,

What does B think

Receive an incoming call

OK case Old technology

NG case

Answer why B cannot receive

A wants to know why B does not answer.

AI agent.

To solve

Create an incoming call management agent.

New technology

- gyro
- GPS
- Smart watch
- Patent

Don't need an incoming call - ~~X~~
B doesn't want to be disturbed

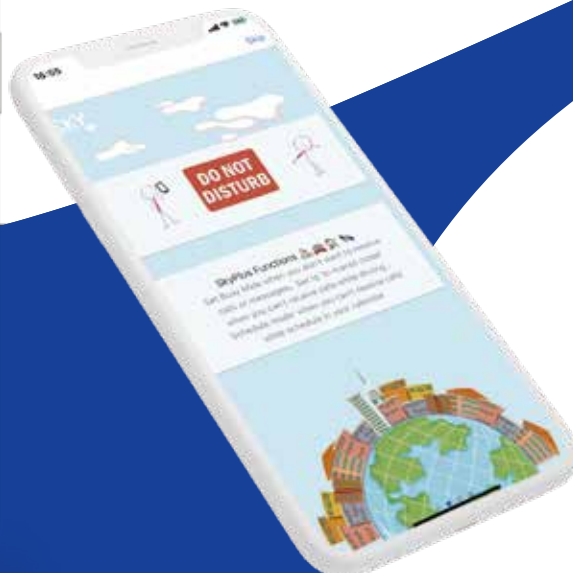

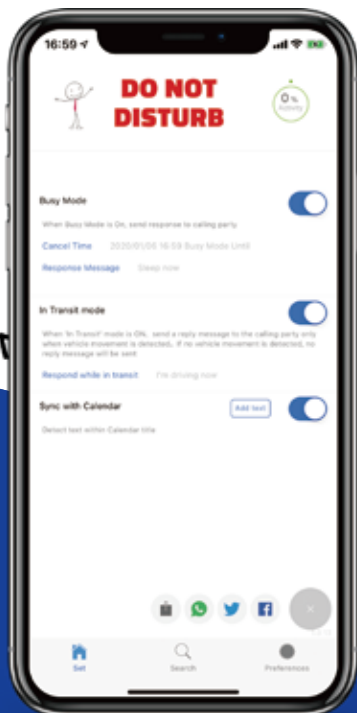

Why

- sick
- meeting
- Sleeping
- In the hospital

Law

Japan, USA, England

This mechanism breaks the existing mechanism.
A patent is absolutely necessary.
