

Fukuoka Foreign Investment Seminar 2022

- Fukuoka of Choice for Companies From the World -

Participants:100 (Free of charge/Preregistration)

English session

The social situation has changed drastically due to the COVID-19 pandemic, foreign companies in various industries such as manufacturing and consulting continue to make inroads into Fukuoka, and steady progress is being made toward making Fukuoka Prefecture the prefecture of choice for companies from around the world.

The seminar will introduce Fukuoka Prefecture's excellent business environment, industrial policies and other initiatives.
