JETRO, or the Japan External Trade Organization, is a government-related organization that works to promote mutual trade and investment between Japan and the rest of the world.

Originally established in 1958 to promote Japan's exports abroad, JETRO's core focus in the 21st century has shifted towards promoting foreign direct investment into Japan and helping Japanese firms maximize their global export potential.

All information in this publication is verified to the best of JETRO's ability. However, JETRO does not accept responsibility for any loss or damage arising from any reliance on it.

This material is distributed by the New York office of JETRO on behalf of Japan External Trade Organization. Additional information is on file with the Department of Justice, Washington, District of Columbia.

KAGOSHIMA WAGYU

KAGOSHIMA WAGYU (100% Pure Japanese Black Cattle) is bred and raised with superior farming technique and care using a feed system that is perfectly matched to the southern country climate. The main characteristic of KAGOSHIMA WAGYU (beef) is its superior marbling. The beef seems to melt in your mouth, spreading rich, mellow flavor. Please come to our booth and taste the real Japanese WAGYU beef called "KAGOSHIMA WAGYU".

KAGOSHIMA WAGYU YAKINIKU SET

Japanese WAGYU cattle are bigger than the cattle of other countries. They are also different in form. Our proposed YAKINIKU-set is small and easy to use. We have several kinds of the YAKINIKU sets. One set consists of 4 parts, each part is around 2-3 kg (4.4 - 6.6 lb). One set is around 10-15 kg (22 - 33 lb). You can minimize labor cost and processing time.

KEWPIE MAYONNAISE (17.64 oz)

“UMAMI incarnate!” is how one top American chef describes Kewpie Mayonnaise. Kewpie's superior flavor and delicate consistency, in a unique, easy-to-use squeeze bottle, make it perfect for special meals or everyday use.

Kewpie is praised and preferred as part of the secret arsenal of many of the world's best chefs, favoring it over America's best-selling brands for its superior flavor, silky-smooth texture and excellent mixing properties.

The egg-yolk only formula contributes to Kewpie's wonderfully-distinct flavor, uniform smoothness and slightly yellow color. A proprietary blend of vinegars provides a finish that is slightly sweeter than everyday whole-egg mayos. You'll love it!
