事務所コメント (Messages to your potential clients in Japan)	Marks & Clerk is one of only a few specialist firms in Malaysia which practice solely in the field of intellectual property. The team comprises very experienced patent and trade mark practitioners who are well versed in Malaysian law, including an IP litigator who can provide support for contentious matters in all areas of intellectual property, and an experienced UK/European patent attorney who is able to handle complex patent prosecution issues. As a result the firm has the highest standards, being ranked in the top tiers by Managing Intellectual Property and AsiaIP, and is able to deliver an international level of service at local costs.
