事務所コメント (Messages to your potential clients in Japan)	<p>Our lawyers in our Intellectual Property practice group brings with them decades of experiences dealing with IP and Tech complications for corporations which businesses spans locally and internationally, and we have strong experience dealing with global brand names.</p> <p>Our Intellectual Property team advises clients from a wide range of sectors on protecting, commercialising, licensing and enforcing their IP rights. This includes patents, trademarks, designs, copyright, trade secrets or know-how. We can assist you with defending and taking action against offenders in trademark infringement and passing-off claims as well as in patent, design and copyright litigation.</p> <p>We work closely with local investigators, enforcement authorities and customs officials to execute major enforcement actions and are able to execute raids against multiple targets across the region. Our experience extends beyond the technical knowledge of IP as our team has commercial and industry knowledge in drafting, negotiating and advising on licensing or franchising deals and transactional agreements surrounding corporate acquisitions, joint ventures and strategic business activities.</p> <p>This is further enhanced by the multi-lingual skills possessed by our professionals, who have represented clients in Singapore, Malaysia, Brunei and regionally. We have the strength to provide multi-faceted solutions towards complex matters, and we were also recognised by local mainstream media.</p>
