事務所コメント (Messages to your potential clients in Japan)	<p>Founded in 1988, the VIDON Group has always sought to make the difference by cultivating a cross-cutting, strategic approach to intellectual property consulting. VIDON relies on more than 100 Trademark, Design and Patent Attorneys and lawyers specialized in Intellectual Property working in synergy in 8 offices worldwide located in Europe (France, Germany) and Asia (China and Thailand).</p> <p>Since its beginning, the VIDON Group has successfully pursued a controlled growth strategy, built on the originality and variety of its tailored services and the loyalty of its staff and clients. The VIDON Group has also earned a reputation for being a "pro-active" player in the regional, French and international realms of Intellectual Property, notably by being the first French Intellectual Property Law Firm established in China. The VIDON Group offers its clients international expertise through its multidisciplinary, multicultural teams located in its offices in France, China and Thailand.</p> <p>The VIDON Group's development is based on a set of strong values shared by the Group's partners and all its employees. Cleanness, professionalism, and international vision are the Group's three core values. Its values enable the Group to maintain the trust of its Clients, convince and always offer a solution suited to its Clients' needs. The VIDON Group has set up the required structure to meet its clients' needs at all stages in the development of their projects, in the fields of intellectual property (patents, trademarks, designs & models, copyright, Internet domain names, etc.) and related fields (unfair competition, right of publicity, etc.).</p> <p>The Vidon Group has heavily invested in support tools for research teams, and regularly participates to national and international workshops on protection and valuation of Scientific and Technical Research.</p> <p>The Vidon Group also developed programs adapted to academic or private research to accompany the different players of structures of valuation and technology transfer through the phases of Awareness, Detection, Maturation and Technology Transfer.</p>
